FUTURE EXOTICS LIFESTYLE EMPORIUM

South Africa's very first lifestyle venue opens in Cape Town.

Style. It is a distinctive manner of self-expression - the way in which you conduct yourself with fashionable elegance. The new Future Exotics Lifestyle Emporium offers exotic collectibles with customised luxury and uncompromising quality. All this is found under one roof, at a magnificent venue situated on Breakwater Boulevard at the V&A Waterfront in Cape Town. Future Exotics aims to be the place of choice for elite buyers who are connoisseurs of style. It is a custom-built lifestyle venue designed by Stefan Antoni & Associates and it features the world's finest in exotic and rare vehicles, marine, and aviation. Custom-made products are sourced at the best possible price, and financing options for these luxury items are available through FutureFin Finance. This is a financing option developed by Abarengani

CEO, Zunaid Moti, sparing you the cost of the middle man. Future Exotics will source any lifestyle asset without the delay of having to order from agents long in advance, being wait-listed and having to deal with supply and demand frustrations. Future Exotics understand that when high net-worth individuals want something, they do not want to wait.

For more information contact Future Exotics Lifestyle Emporium on 0860 88 22 88 or 0860 88 99 88 or alternatively visit www.futureexotics.com.
