RARE SPECIMEN

DRAPED TO KILL: Caprice Bourret displays her photograph on a Ferrari F430 Spider at the launch on Friday of the Future Exotics Lifestyle Emporium at the V&A Waterfront in Cape Town. Caprice was photographed for a limited-edition calendar by top South African photographer Mia Ziervogel. The other models were Tamara Dey, Minki van der Westhuizen, Christina Storm, Lee-Ann Liebenberg, Tani Phoenix, Louise Carver, Victoria Aitken, Gina Athens, Rosie Motene, Millen Magese and Claudia Henkel. An Ostrich leather-bound calendar was auctioned on the evening. All funds raised from this, as well as the sale of a Catherine Christie painting titled 'The Last Oyster', will be donated to the Reach for a Dream Foundation. Part of the Abalengani Group, the Future Exotics Lifestyle Emporium is a custom-built lifestyle venue selling exotic and rare vehicles, boats and aircraft. Picture: TERRY SHEAN
